He told a room of 80- 90 doctors about the changes they would witness in their lifetime as a result of "The Order" or as we know it now, the the globalist elite.

## **JOIN THE FIGHT: BECOME A CITIZEN JOURNALIST TODAY!**

Dr Day stated that he would be in real trouble if the information he was telling them was leaked to the general public.

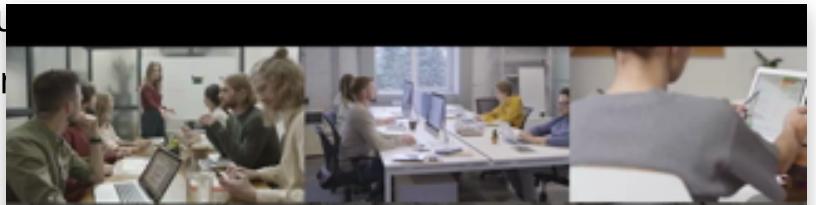

So was it just a coincidence that Dr. Day died the same year that Dr. Dunegan, one of the attendees, began distributing this information on audio tapes?

**Before Its News** reports: Dr. Lawrence Dunegan was invited to go to a speaking event by Dr. Richard Day (Chief of Arranged Parenthood) back in 1969, in a room of about 90 specialists.

They were not allowed to have any recording devices in the room nor be allowed to take notes. What they didn't know was that Dr. Dunagan had near photographic memory and Dr. Day's hypnotic suggestion at the end of the event, didn't seem to have any affect on Dr. Dunegan.

As soon as Dr. Dunegan arrived home, he wrote down everything that he could remember. 20 years later, he took out his notes and made sound recordings of them.

Shortly after Dr. Dunegan started dispersing his audio tapes, Dr. Day passes away.

Dr. Day said in the lecture that he would be in real trouble if this information got out. In 87 when Dr. Dungeon came out with his agenda - Dr. Dungeon dies. He died in 1987. Did someone kill him?

## THE True AND THE "Expressed" Objectives

"Everything has two purposes. One is the ostensible purpose which will make it acceptable to people; and second, is the real purpose which would further the goals of establishing the new system and having it."

He often stated that, "There is just no other way. There's just no other way!"

## TAX FUNDED ABORTION AS POPULATION CONTROL

back in 1969, four years before Roe vs. Wade, he said that abortion would be a crime. Abortion will be accepted as nothing more than a tax-funded service for people who could not pay for their own abortion.
